Historien begynder ...

Varmluftsballonen flyver over trætoppene - en nysgerrig havmåge kigger på. Bamsefamilien er på vej til deres favorit feriested, Skagen. De er i kurven under ballonen. Her er der lige plads nok til alle fire og deres kuffert. Bamserne er helt betaget af udsigten; de peger på fyrtårnene og andre steder de kender.

- Se, det store skib ved havnen, råber Bror, måske er det et piratskib! Hans søster, Rubi, læner sig lidt ud over kanten for bedre at se.

- Pas på, siger Bamsemor, men for sent, for pludselig ser Rubi, at det røde hjertesmykke, der plejer at hænge om hendes hals, har løsnet sig og nu falder i fuld fart ned imod byen, der ligger under ballonen.

- Oh, nej, jeg har tabt mit hjerte, råber den lille pigebamse.

Bamsefar trøster hende.
- Vi leder efter det, så snart vi er landet, har samlet ballonen og har lagt vores kuffert ind på Bamsehotellet.

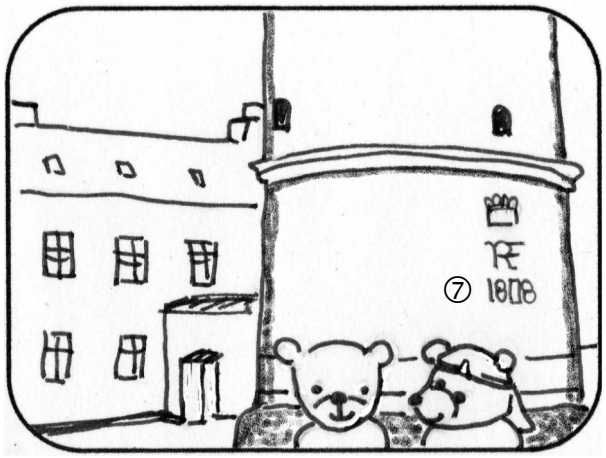
- Byen er så STOR græder Rubi.

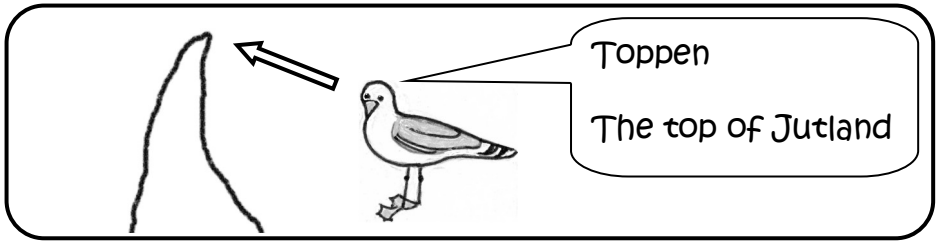
-Ja, men, jeg tror, at vi kan spørge nogle børn om de gerne vil hjælpe os, sagde far.

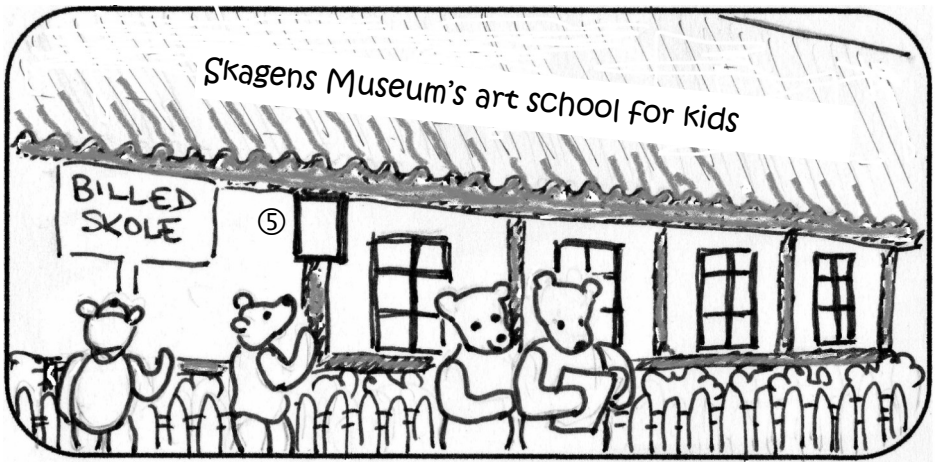
- God idé, siger Bamsemor, men ved du hvad, vi skal også styrke os lidt med en is!

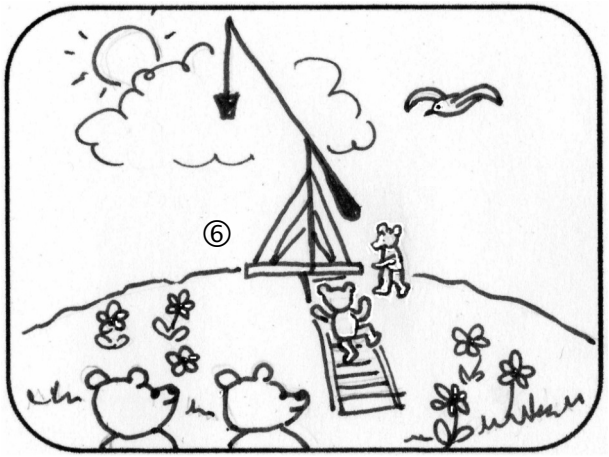
- Hurra, råber Bror, vi skal være detektiver og vi skal spise is - bare vi finder dit hjerte, inden piraterne gøre det!

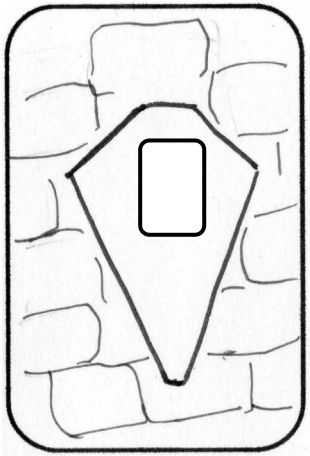
Rubi griner og ser glad ud igen.
- Det er ligesom et eventyr. Vil **du** gerne hjælpe os med at lede efter hjertet?

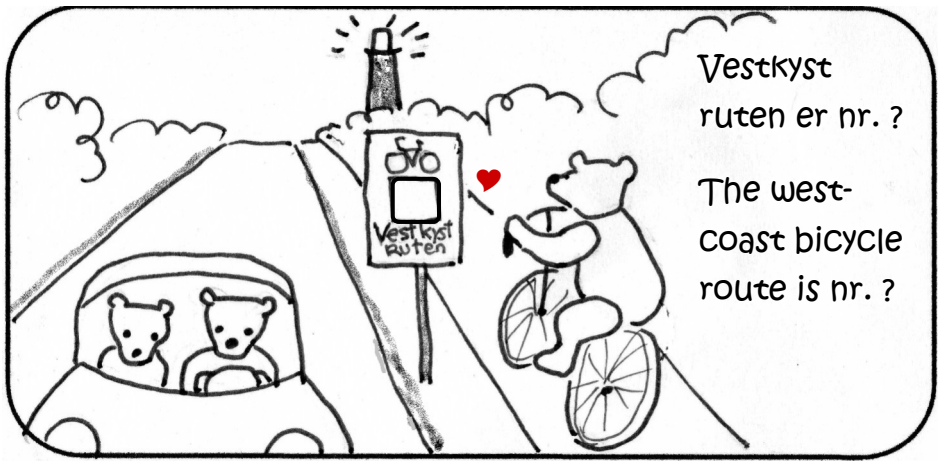












The story starts ...

The hot-air balloon flies over the treetops. A curious seagull nearly bumps into it. The Bears are on their way to their favorite holiday place. There is just enough space in the basket for the four of them and their suitcase. Below is the town and the bears point out to each other the lighthouses and other familiar sights.

- Look at that ship in the harbour, shouts Bror, maybe it's a pirate ship! His sister, Rubi, leans a little over the side so she can see better.

- Careful now, says Mother Bear, but too late. Rubi suddenly sees her red heart pendant, which hangs around her neck, has fallen off and is now falling fast towards the town below.

- Oh, no, I have lost my pretty, red heart, the little girl bear cries out.

Father Bear comforts her.

- We will look for it as soon as we have landed, packed down the balloon and put our suitcase into the Teddy Bear Hotel.

- But the town is so BIG, cries Rubi.

- Yes, but I have an idea. Perhaps we can ask some children to help us search for it, said Father Bear.

- Good idea, said, says Mother Bear, and I think we should fortify ourselves with an ice-cream!

- Hurrah, shouts Bror, we are going to eat ice-cream and be detectives - I hope we find your heart before the pirates do!

Rubi laughs and looks happy again.

- It is like an adventure. Will **you** help us look for my heart?
